Remembering Thirty-seven Honorees

Monument Fire Center

The 103rd year of planting trees at the Rocky Mountain Region Memorial Grove will take place on Saturday May 4, 2024. The program will start at 10 am and we will be honoring thirty-seven individuals including thirty-four who passed away in 2023 and three folks who will be added to the Memorial as “Not Forgotten” (see *attached list*). We have family and friends of most all the honorees coming, so we are anticipating a large attendance. If you plan to attend and have not let us know you are coming, we ask that you let us know by sending a simple email to Tom L. Thompson at thom46pson@gmail.com by **Wednesday, April 12**. By knowing in advance how many are coming, we can ensure we have enough seating and lunches. You are welcome to bring your own camp chairs, but we will have ample seating. Please be prepared for the weather of the day. It can be doing just about anything in early May. Directions and other information will be posted on the Rocky Mountaineers website at www.rockymountaineers.us and are also found below. **Again, please RSVP if you haven’t already... thanks!**

Special note for retirees and Forest Service folks attending the ceremony---

Please consider bringing something to share with the lunch, like cookies, brownies, fruit or veggies, etc. that will help supplement the lunch...i.e. fingerfood---thanks!!

On **Thursday, April 25, 2024**, we will have a workday to do maintenance on the site, including some tree maintenance, improvements to the irrigation system, some trail work, and general preparation for the ceremony on May 4. If you want to participate in the workday, **plan on being at Memorial Grove by 9 am** and bring gloves and appropriate gear for the day. The road directly to Memorial Grove (via Nursery Road) will be open so you don’t need to enter through the Fire Center route. There will be plenty of tools available. We usually finish up our work by noon. A map to get you through Monument to the site from I-25 is included below:

Planning Information and Map
Memorial Grove Ceremony
Saturday---May 4, 2024---10:00 AM to 12 noon
Monument Fire Center, Monument, CO

The following is just a bit of information that may be helpful in planning your trip to Memorial Grove:

- The ceremony will start promptly at 10 am and you should allow at least 30-45 minutes to park and get seated at the Memorial. It is a 100-yard walk from the parking area to the site and if needed you can drop off passengers directly at the Memorial site and then return to the parking area.
- There are benches and chairs, but if you want to bring more comfortable folding camp chairs there is plenty of room to use them as well and quite often it is good to have an umbrella.
- During the ceremony there will be a reading of the names of all thirty-seven individuals we are honoring this year. After each name is read, **one family member** will be provided the opportunity to share **a few brief comments** about their special honoree on behalf of their entire family.
- We will be serving a light lunch with sandwiches, chips, and soft drinks after the ceremony.
- Please be alert to the weather for the day and dress accordingly...certainly a jacket or coat will likely be a good choice for early May and if it looks like rain, plan accordingly. We do have a tent for rain or for shade.
- There will be restrooms and sanitary wash stations.
- Memorial Grove is located near Monument, CO which is 20 miles north of Colorado Springs and about 50 miles south of Denver, CO on Interstate 25.
- Directions to the site and parking are shown on the attached map and again, please plan to arrive at least 30-45 minutes before the ceremony.
- *If you want to use GPS to guide you to the site, just enter **Nursery Road, Monument, CO** and it will bring you to the final few turns to the Memorial Grove...follow the signs!*
