

Rocky Mountaineers 13th Annual Ski Day at Winter Park/Mary Jane

Twenty Rocky Mountaineers celebrated their thirteenth annual ski day at Winter Park. In spite of only 30 percent of the terrain open due to lack of snow, we were able to find some of our favorite runs like Sleeper, Roundhouse, Lower Arrowhead, Mary Jane, Cheshire Cat, and Hughes. A big thank you to Doug Laraby of Winter Park Resort for joining us and providing discounted tickets for those who needed them.
